

# Mercedes-Benz G400d AMG Premium Plus

## TIMELESS DESIGN

The unique DNA of the G-Class was first developed over 40 years ago, and continues to define its iconic appearance to this day. The silhouette of the G-Class is characterised by clear lines and wide, flat surfaces. The exterior door hinges, protective strip and exposed spare wheel on the tailgate lend it its unique personality, while striking wheel arch liners and wide track create a dominant presence.
